620-121 Mid-Semester Test: Friday 22 April, 2005

- The test takes place in WILSON HALL at your normal lecture time (9.00 or 12.00). There will be four questions covering the material for Weeks 1–5.

- You must attend at the time of the lecture stream to which you have been officially allocated.

- Students for 620-121 will have allocated seats as posted on the subject web page and the notice boards opposite the library in the Richard Berry Building.

- You must bring your student identity card.

- Arrive on time so that we can have everybody seated promptly.

- Students arriving late will not be allowed to enter Wilson Hall.

- Students will not be allowed to leave until all scripts have been collected at the end of the examination period.

- Pencil cases or bags of any kind must not be brought into the main part of the hall. They can be left in the foyer. Small valuables (e.g. mobile phones — which must be switched off, or purses) may be brought into the hall but must be left on the floor.

- As for the final examination, you are NOT ALLOWED to use calculators, and you are NOT ALLOWED to bring in any texts, notes, formula sheets or additional blank paper for working.

- Academically dishonest or disruptive behaviour during this test may be regarded as constituting academic misconduct, for which the University may impose significant penalties.
