The assessment is composed of three parts:

- A three hour exam at the end of semester;
- A 45 minute Mid Semester Test on weeks 1 to 5 to be held in Wilson Hall at 12 noon on Monday 8th September;
- Four assignments due as follows:
  1. On weeks 1 and 2, due 11 am on Monday 18th August;
  2. On weeks 3 and 4, due 11 am on Monday 1st September;
  3. On weeks 6 to 8, due 11 am on Monday 13th October;
  4. On weeks 9 and 10, due 11 am on Monday 27th October.

Each piece of assessment is compulsory.

The Final Mark in 620-231 is computed as:

\[
\text{Final Mark} = 75\% \text{ Exam} + 15\% \text{ Mid Semester Test} + 10\% \text{ Assignments}
\]

Note:

- The assignments will be handed out in lectures approximately a week before the due date. The assignments will also be put on the 620-231 website.
- Make sure that you write your name, student number, tutor’s name and tutorial time on each assignment.
- Your assignment should be placed into your tutor’s 620-231 assignment box on the ground floor of the Richard Berry building.
- **Late assignments will not be accepted.**
- Assignment 1 must be submitted with a completed plagiarism cover sheet. This plagiarism cover sheet will apply to all assignments in 620-231 during semester 2. Plagiarism cover sheets will be handed out in lectures and will also be available on the 620-231 website.
- The assignments will not be marked until a completed plagiarism cover sheet is submitted.
- Any medical certificates relating to the assignments or the Mid Semester Test should be given to Dr Mangelsdorf.
