• The following weekly homework assignments are taken from your textbooks:
  
  \[
  \begin{align*}
  A &= \text{Anton \\& Rorres Elementary Linear Algebra (Ninth Edition 2005)} \\
  T &= \text{Thomas Calculus (Eleventh Edition 2005)}
  \end{align*}
  \]

• The questions are designated in the format Text [A or T], Section [1.1 or A.1 for Appendix 1] followed by the question number [Q6 or Q4(b)].

• Your tutor will inform you of the due dates and whether the assignments should be handed to your tutor at your tutorial or placed in the 620-121 Assignment Boxes.
