Getting Started with MyMathLab

MyMathLab is an interactive website where you can:

- Self-test to improve your math skills and create your personal study plan
- Practice exercises to help with specific textbook sections
- View a video for further understanding
- Work interactive problems in the Multimedia textbook
- Use customized materials prepared by your instructor

What do you need to get started?

<table>
<thead>

<tr>
<td>✔️</td>
<td>Course ID (CourseCompass students only)</td>
</tr>
<tr>
<td>✔️</td>
<td>Student Access Code</td>
</tr>
</tbody>
</table>

Don’t have it yet? Contact your school's technology center or set up a free account on a website that offers this service (for example, through Hotmail or Yahoo).

Don’t have it yet? Contact your instructor to get it. The Course ID is unique for each course.

Don’t have it yet? If your new textbook was not bundled with a Student Access Code, you need to:
- Go to your campus bookstore to buy the standalone Student Access Kit (kit contains access code card and instructions) for your textbook.
- OR
- Purchase online access now using a credit card.

What steps do I take next?

1) In order to register, you will need to use this Course ID -- mathsaaadv35312_________.

2) Go to www.coursecompass.com. For an audio tour on how to register, click on ‘Take a Tour’, and select the ‘Register and enroll in a course with a code’ tour.

3) Click on the Students ‘Register’ button.

4) Enter your six-word access code found inside your student access kit, under the tab.

5) Register only ONCE using the access code in your kit. You will create your own Login Name and Password. After registration you’ll receive a confirmation email.

6) After you’ve registered: Login at http://coursecompass.com (bookmark this URL), using the Login name and Password you have just created.

7) From the “Welcome page” click on your course, then choose the “Installation Wizard” link to check that your computer has the required set-up and plug-ins. The MathXL player must be installed for you to work exercises within the tutorial, homework, and tests.

8) For help on entering answers, go to the audio tour: http://www.mymathlab.com/tours.html and click on the How to Enter Answers Using the MathXL Player link.
